#Dice141 Twitter Job Cards

A new way to quickly reach millions of active tech pros on Twitter.

Boost your Dice job ads with expandable, branded tweets.

Highlight the most enticing details of your jobs, like title, description, salary and location.

Allow tech pros to apply on-the-go or engage with you on Twitter.

Get noticed

We auto-tag your tweets with the most viral and relevant recruiting and skill hashtags, providing additional exposure.

You'll get 2x more reach than normal tweets and experience up to 16× higher click-through rates than typical display ads.
